

Ahmad Alhariri

Software Engineer

✉ mr.ahmed.alhariri@gmail.com ☎ +963954872922 📍 Damascus, Syria 🌐 ahmad_alhariri

PROFILE

I hold a degree in **Software Engineering** and have over 3 years of hands-on development experience. With a strong foundation in IT, I am a driven and skilled developer known for my self-motivation, proficiency in programming, and exceptional analytical and problem-solving abilities. I am now seeking new opportunities to further my career in software engineering, ideally with a team of experts, as I aim to grow and take on more senior roles in the future.
